Work Experience

UX|UI Designer

Company Name, City, State | Mar 2016 - Current

The Work experience section, is the most important part for explaining your career path to employers.

The work experience section should contain specific information about your employment history, including Location of company, Employment dates, Job title, Responsibilities, promotion and awards.

Graphic Designer

Company Name, City, State | Jan 2011 - Dec 2015

If you do not have extensive professional experience, you can include other experience that shows your skills and commitment to completing tasks professionally.

Keep your work experience section as focused as possible and only list those statements which are relevant to your target jobs.
